Career Readiness Skills

Speaking & Listening: Conveying and comprehending clear, oral messages are vital skills that enhance workplace performance.

Problem Solving: Applying logic to decision making and problem solving is critical to workplace success.

Work Ethic: For employers, this includes an array of employee qualities such as promptness, flexibility, and “doing the right thing” for the organization.

Positive Attitude: The “positive attitude” employers want includes cooperativeness, taking direction and correction willingly, the ability to learn, being pleasant and polite, and getting along with others.

Independence & Initiative: Displaying initiative and demonstrating the ability to work independently are attributes that employers seek and reward.

Self-Presentation: Wearing appropriate clothes, speaking well, and acting in a professional manner all factor into making a good impression.

Attendance: Being on time and following a specific schedule are important traits for any job.

Teamwork: Working well with others requires courtesy, understanding, listening, and compromise.
