

Strategic Instructional Support

Classrooms

The team will be in classrooms to see curriculum in action, support teachers, identify PD needs, and provide meaningful feedback.

Planning

The team will participate in collaborative planning, as well as plan with individual teachers.

Partnership

The team will work as a partner to the school to support instruction and improve practice.

Lead Teachers

The team will implement a differentiated approach to the collaborative and developmental work with lead teachers.

Curriculum & Development

Professional Development

The team will design and deliver jobembedded and justin-time PD to enhance curriculum and instruction.

Curriculum Chats

The team will facilitate sessions on curriculum, assessments, resources, and student work to gather input.

Coaching

The team will coach teachers, including teams, new teachers, teachers requesting assistance, and as identified by data.
