Curriculum & Development

Classrooms
The team will be in classrooms to see curriculum in action, support teachers, identify PD needs, and provide meaningful feedback.

Partnership
The team will work as a partner to the school to support instruction and improve practice.

Professional Development
The team will design and deliver job-embedded and just-in-time PD to enhance curriculum and instruction.

Coaching
The team will coach teachers, including teams, new teachers, teachers requesting assistance, and as identified by data.

Curriculum Chats
The team will facilitate sessions on curriculum, assessments, resources, and student work to gather input.

Lead Teachers
The team will implement a differentiated approach to the collaborative and developmental work with lead teachers.

Planning
The team will participate in collaborative planning, as well as plan with individual teachers.
