We invite all current eighth-graders and their families to our "Freshman Welcome Night" at 6 p.m. on Thursday, April 23.

Take a tour of your high school • Meet administrators and teachers
Discover clubs and activities • Explore high school athletics
Learn about Career Pathways, Early College, career certifications, Advanced Placement classes and other program offerings!

Ninth grade is an exciting transition for students. It is the beginning of the final step on the path towards the goal of graduation. In high school, students have four years to experience personal growth, exciting achievements, and memorable accomplishments as they journey into a bright future. NNPS' goal is to help students and their families navigate the change while becoming college, career and citizen-ready. We hope you will join us for this exciting first step.
