OPEN ENROLLMENT ENDS AUGUST 3!
DON'T MISS THIS OPPORTUNITY TO JOIN

I NEED TO TALK TO MY LAWYER.

Should a "situation" arise for you or an immediate family member – a traffic incident, a dispute with a neighbor, or something more serious – being able to say these words can be invaluable.

IF YOU **THINK** YOU HAVE NO USE FOR A LEGAL PLAN, CONSIDER THESE FACTS

According to the American Bar Association, 70% of Americans will have a legal situation this year where they could use the advice of an attorney.

Attorney fees average \$300-400 per hour.

Over 50% of Americans don't have a will.

The manner and professionalism with which I was treated provided me with a sense of trust and security that my legal needs were being handled well. Charlene F., Member since 1998

It's there when situations catch you off guard and you need legal help immediately. It provides a safety net. Juanita W., Member since 1999

It has helped me tremendously and saved me thousands of dollars. I don't know what I would have done without it. Kathleen D., Member since 2008

And you don't have to be "in trouble" to benefit from being a Legal Resources Member. If you take advantage of our will preparation services, or even pick up the phone just once to ask your lawyer about a routine family or traffic matter, your annual membership has more than paid for itself.

These services, and many more, are 100% covered.

PLAN DETAILS

Legal Resources has been providing comprehensive legal services and representation for our Members and their families for over 20 years.

The most often-needed legal services are covered at 100% – that means you, your spouse, and your dependent children (under 19 years of age, or under 23 years of age if a full time student) pay no attorney fees when you use these services.

You select your own law firm from our network of experienced attorneys.

You call your law firm directly to get legal help. You may also call our Member Services Department to ask coverage questions, update your account information, or change your law firm.

The annual cost is less than what you would pay for just one hour of an attorney's time.

The cost of the Plan doesn't change, no matter how often you use it.

Please call our Member Services team with any questions. **We look forward to serving you and your family.**
