

# COMPLIMENTARY PROFESSIONAL DEVELOPMENT: *MONTHLY COURSES*

Build your educators' skills and invest in your organization at no cost to you by taking advantage of limited released, monthly courses provided by GCU's Canyon Professional Development.

## MARCH COURSE

*Science of Reading and Structured Literacy (SoR-01)*

Throughout this workshop series, participants will have an opportunity to engage with current research supporting the use of structured literacy instruction. They will reflect on how structured literacy can improve reading outcomes for struggling readers and help prevent reading difficulties from occurring. Additionally, the facilitator will share criteria for selecting quality instructional materials and their impact on student learning and teacher effectiveness. By the end of this workshop, participants can have a better understanding of the science of reading and structured literacy.
