Job Description

**Job Title:** Instructional Supervisor  
**Supervisor:** Executive Director of Curriculum & Development  
**Secondary Science**  
**Position Code:** 1E16, AE16  
**Pay Grade:** 44  
**Job Classification:** Exempt  
**Contract Length:** 245 Days

**Job Summary**
Position is responsible for planning, developing, implementing, and monitoring the division’s secondary science instructional program. Position develops curriculum and assessments, coaches teachers and teams of teachers to best practices, provides professional development, and prepares and monitors the program budget.

**Essential Duties**
1. Supervises and administers a division-wide secondary science instructional program that is grounded in inquiry and laboratory investigation and integrates STEM learning, experiences, and opportunities.
2. Assists in curriculum and assessment development, implementation, and revision.
3. Provides guidance in the selection of textbooks and other instructional materials and equipment for the program.
4. Visits schools and observes classrooms on a regular basis to ensure consistency of what is taught from school to school and teacher to teacher in the secondary science instructional program.
5. Serves as a resource and advisor to principals and teachers regarding the secondary science instructional program.
6. Assists teachers in the improvement of instructional performance through coaching, modeling, co-planning, and assigned support from the department.
7. Indirectly supervises school-based secondary science teachers and assists administrators with evaluating them.
8. Evaluates the effectiveness of instructional methods and programs and recommends revisions and improvements as needed.
9. Assists the human resources department with interviewing and recommending qualified candidates for secondary science instructional positions.
10. Assists in developing and conducting division-wide staff development for secondary science instructional staff.
11. Prepares and monitors the program’s budget.
12. Coordinates meetings with specialists, lead teachers, teachers, and administrators and disseminates information regarding current developments and teaching practices in the field.
13. Supervises the ordering, inventory, and distribution of materials and equipment for the secondary science instructional program.
14. Coordinates division-wide science educational activities and events such as the All-City Science Fair, field trips, special exhibits and contests.
15. Serves as the central office contact and liaison with parents and the community regarding the division’s secondary science instructional program.
16. Represents the school division in educational projects and initiatives at the local, regional, state, and national levels.
17. Develops appropriate advocacy positions/statements for science education.
18. Models nondiscriminatory practices in all activities.

**Other Duties**
1. Initiates and maintains effective liaisons with other school divisions and professional societies to maintain a current knowledge in secondary science education.
2. Performs any other related duties as assigned by the Executive Director, Curriculum & Development.
