Inquiry Research Immersion - Students run the Inquiry Bases and score as they display their understanding by putting the final touches on their products; preparing to communicate the results of their research.

Jalan: We found out a lot about Thomas Edison! That's a great picture!

Zanilah: Yeah! We typed our information in, added pictures, and then made our slides come to life!

Skylah: Hey, let's practice taking turns reading our slides so we'll be ready when it's our turn to share our PowerPoint!
