April 2017
4th Grade History Connects Program
The fourth grade classes are participating in video conferences with the Virginia Historical Society.

Each video conference focuses on answering an important question in Virginia history.
Through guided historical inquiry, the students examine primary sources to understand and make connections to Virginia’s history.
These interactive explorations highlight treasures of the Virginia Historical Society’s collection are aligned with both the Virginia Standards of Learning and the American Association of School Librarian’s Standards for the 21st Century Learner.
