General Stanford Library
March 2017
Dr. Seuss Week = More Reading

• Students of all grades got a kick out of Dr. Seuss week. They were able to dress up and engage in activities that encouraged them to read.

• It worked! The entire Dr. Seuss collection in the library was checked out by teachers and students for this celebratory week.

• We also had a few new Dr. Seuss titles donated to the library for students to enjoy.
“Happy Camper” Book Fair

- We had a great turn out!
- It is wonderful to see families supporting their student’s reading goals and also supporting their school!

Shoppers at the book fair after our 2nd Grade musical performance.
