

# NNPS MILITARY GRANT

Newport News Public Schools was awarded a \$2.5 million grant from the Department of Defense Education Activity to support military connected students and families!

Seven NNPS schools will benefit from this grant from 2011 to 2014:

General Stanford Elementary

Greenwood Elementary

Kiln Creek Elementary

Lee Hall Elementary

Richneck Elementary

Dozier Middle

Passage Middle

The purpose of this grant is to:

- Provide academic support in math
- Provide social/emotional support for military connected students
- Provide individual and group counseling
- Increase communication between military installations and schools
- Provide workshops and resources to military connected families
- Partner with local youth service organizations
- Establish a peer-to-peer helper program
- Create Military Family Connection Centers

For more information, please contact a Military Support Counselor:
