

2019 Wayne D. Lett Scholarship Recipient

Briahna P. Switzer
Warwick High School

Warwick High School student Briahna Switzer has been busy gaining real-life experience in the school division for her chosen career - teaching. She is an intern for a preschool program for children with disabilities, works with the 21st Century afterschool program and was employed in the Summer Program for Arts, Recreation and Knowledge (SPARK).

Briahna also serves as a student ambassador for Project Discovery, helping students learn about college and career opportunities. She is the historian for the Warwick National Honor Society, helped organize the NNPS Bloom Middle School Girls' Empowerment Conference in the fall of 2018, and runs her own photography business.

She plans to work in early childhood education after graduating from college.
