

Student Self-Service Password Portal

Both students and teachers can reset student passwords using the following set of directions. In order to change a student password, please select one of the options listed below.

Student Self-Service Password Reset

The student must know their current password or have previously set up their profile within the password portal to complete this process without a teacher's assistance.

If student does not know their password, or has not set-up their profile, please follow the [Teacher-Assisted Student Password Reset](#) instructions.

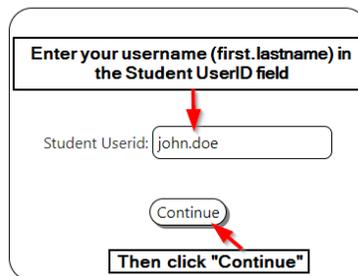

Portal Set-up

If the student is using the portal for the first time, a profile of specific questions/answers must be set up.

1. Navigate to <https://mynnpspassword.nn.k12.va.us/>

2. Enter the student's username (first.lastname) in the **Student UserID** field and select **Continue**.

Enter your username (first.lastname) in the Student UserID field

Student Userid: john.doe

Continue

Then click "Continue"

3. Select **Edit Password Profile**.

Teacher-Assisted Student Password Reset

A teacher/staff member can reset a student's password by performing the following steps.

1. Navigate to <https://mynnpsspassword.nn.k12.va.us/>

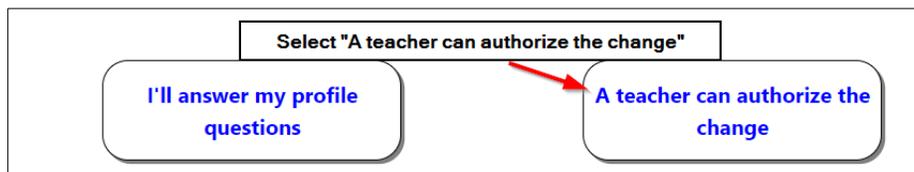

2. Enter student's login (first.lastname) in the **Student UserID** field and select **Continue**.

3. Select **Change Password**.

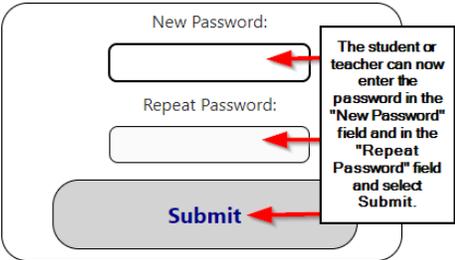

4. Select **A teacher can authorize the change**.

5. Enter the **Teacher's Userid** (first.lastname) and **Password** in the appropriate fields then select **Submit**.

6. The student or teacher can now enter the password in the **New Password** field and in the **Repeat Password** field and select **Submit**.

The image shows a user interface for password creation. It consists of three main elements: a text input field labeled "New Password:", a second text input field labeled "Repeat Password:", and a grey button labeled "Submit". A white callout box with a black border is positioned to the right of the input fields. It contains the text: "The student or teacher can now enter the password in the 'New Password' field and in the 'Repeat Password' field and select Submit." Three red arrows point from the callout box to the right side of each of the three elements: the "New Password" field, the "Repeat Password" field, and the "Submit" button.
