RE: RFP 023-0-2017/HM – Digital Maps

The above referenced RFP is hereby amended and clarified as follows:

The following question was received:

For the RFP mentioned above page 8 under Cost reads:

“4.a Complete and submit with the proposal the attached pricing sheet (attachment A). “

However I do not find an attached cost sheet or attachment A anywhere in the documents.

How would the district prefer we respond to this section/submit the cost portion of the proposal?

Answer: NNPS is requesting that these be issued as a whole school license. There are a total of 17 schools and the breakdown is as follows: 5 traditional high schools, 7 middle schools, 1 MS/HS, and 4 alternative schools. Please refer to page 4 of the RFP, Section I, subsection B. Statement of Needs, under item 13.

All other provisions of the RFP shall remain unchanged.
