**Addendum #1**

TO: ALL BIDDERS

RE: IFB #002-0-2020/LC – UTILITY LOCATING SERVICE

1. The above referenced IFB is hereby amended and clarified as follows:

Will the school district pay for tickets that do not require marks (clear tickets)?

**Our grid lines should be up to date, so requests will be for our utility. That being said, it is the responsibility of the contractor to update the system when our information is incorrect (Specific Requirements #8).**

What is meant by the non-ticket related work?

**Specific Requirements #8 is an example.**

What was the amount awarded for this contract in 2018?

**The contract is specific to ticket counts and that changes by month. Review the “Historic Data” we provided from the last twelve months.**

2. Bid tabulation from previous solicitation is attached for your reference.
3. All other provisions of the IFB shall remain unchanged. This provision shall become part of the IFB package, and Bidder shall acknowledge receipt of the Addendum by signing in the space provided below and returning it with the Bid.

(Bidder)

Sincerely,

Lisa A. Cumming, CPPO, C.P.M., VCO  
Director of Procurement
