I. PURPOSE

The purpose of this RFP is to solicit sealed proposals from qualified offerors to provide 403(B) and 457 (b) retirement plan recordkeeping services for all NNPS employees, including NNPS Teacher Substitutes.

II. BACKGROUND

Based on the Commonwealth of Virginia Department of Education's (DOE) 2018-2019 Fall Membership Report, NNPS is the ninth largest school division in the Commonwealth with approximately 28,654 students. NNPS is an urban school system educating children in 4 early childhood centers, 26 elementary schools, 10 middle schools, and 6 high schools. NNPS also provides programs for at-risk students in addition to special education programs. A listing of NNPS and its locations may be accessed via NNPS' official web site at <http://sbo.nn.k12.va.us/schools> .

NNPS currently employs 5,825 individuals, which includes 4,348 full time employees. The total contributions in the NNPS tax deferred annuity (TDA) programs for a twelve (12) month period, ending June 30, 2019 were \$2,073,730.56 in the 403(b) Plan and \$60,448.73 in the 457(b) Plan.

NNPS employees also participate in the Virginia Retirement Services (VRS) and the City of Newport News' Retirement Plan. Not all NNPS employees are eligible to participate in both. The Instructional, Administrative and monthly Support Staff within NNPS is eligible to participate in both plans, while the NNPS bi-weekly support employees hired prior to 7-1-2009 are only eligible for the City of Newport News' Retirement Plan. All full-time employee groups hired after 7-1-2009 participate in VRS. Fund line up is included in Attachment B.

The Request for Proposal (RFP) will explore single vendor solutions only.

CAPTRUST Financial Advisors will be assisting NNPS to identify potential vendors to provide 403(b) and 457(b) record keeping, investments, communications, and administrative services for NNPS under this contract and serve in an advisory capacity in the evaluation of proposals and investments submitted. CAPTRUST reviews and recommends mutual funds for inclusion in the program.

The decision of the NNPS Purchasing Agent shall be final and conclusive unless the contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A contractor may not institute legal action, prior to receipt of the public body's decision on the claim, unless the public body fails to render such decision within the time specified. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty days after final payment; however, written notice of the contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

LL. Warranty/Guarantee:

Successful Offeror guarantees against defective or faulty material or workmanship for at least one (1) year or for the manufacturer's standard warranty period, whichever is greater, from date of acceptance by NNPS. To furnish adequate protection from damage for all work and to repair damages of any kind for which Successful Offeror or Successful Offeror's workmen are responsible, to the building or equipment, to Successful Offeror's own work, or to the work of others. Any merchandise or service provided under the contract which is or becomes defective during the warranty period shall be replaced by the Successful Offeror free of charge with the specific understanding that all replacements shall carry the same guarantee as the original equipment or service (one year or manufacturer's standard warranty period, whichever is greater, from the date of acceptance of the replacement). Successful Offeror shall make any such replacement immediately upon receiving notice from NNPS.

MM. Payment Terms:

To be eligible for payment, all labor, equipment and materials covered under Successful Offeror's invoice must be completed and accepted by NNPS. NNPS agrees to make payments under this contract within thirty (30) days after receipt of a correct invoice for such payment. Where payment is made by mail, the date of postmark shall be deemed to be the date of payment. Any amounts due NNPS under the terms of this or any other agreement may be applied against Successful Offeror's invoices with documentation for the basis of the adjustment attached. In no event shall any interest penalty or late fee accrue when payment is delayed because of disagreement between NNPS and Successful Offeror regarding the quantity, quality, time of delivery, or other noncompliance with the contract requirements for any Product or Service or the accuracy or correctness of any invoice. Payment terms offering a "prompt payment discount" of 20 days or greater will be considered in the

evaluation of Proposals. All other payment terms shall be net thirty (30) calendar days or greater. Payment terms not specified by Offeror shall be Net 45 days.

Special Educational or Promotional Discounts

Successful Offeror shall extend any special educational or promotional sale prices or discounts immediately to NNPS during the term of the contract. Such notice shall also advise the duration of the specific sale or discount price.

NN. Prompt Payment:

NNPS will promptly pay for completed, delivered goods or services accepted under this Contract by the payment date established. The required payment date will be either: (i) the date on which payment is due under the terms of this Contract for the provision of the goods or services; or (ii) if a date is not established by this Contract, not more than forty-five (45) days after goods or services are received or not more than forty-five (45) days after the invoice is rendered, whichever is later.

Within twenty (20) days after the receipt of the invoice or goods or services, NNPS shall notify the supplier of any defect or impropriety that would prevent payment by the payment date. Should NNPS fail to pay the Contractor by the pay date, finance charges may be assessed by the Contractor. Unless otherwise provided under the terms of this Contract, interest will accrue at the rate of one percent (1%) per month. This will not apply to late payment provisions in any public utility tariffs or public utility negotiated Contracts. Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

In cases where payment to Contractor is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of this Contract.

Individual Contractors shall provide to NNPS their social security numbers and proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

Within seven (7) days after Contractor receives payment from NNPS, Contractor shall take one or more of the following actions:

1. Pay all subcontractors for the proportionate share of the total payment received from NNPS attributable to the work performed by the subcontractors under this Contract;
2. Notify NNPS and all affected subcontractors, in writing, of Contractor's intention to withhold all or a part of each affected subcontractor's payment including the reason for nonpayment.
3. Pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after (7) seven days following receipt by the Contractor of payment from NNPS for work performed by the subcontractor under that Contract, except for amounts withheld, as allowed in #2 above.

A Contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of NNPS. A Contract modification will not be made for the purpose of providing reimbursement by NNPS for interest charges owed by Contractor. A cost reimbursement claim to NNPS shall not include any amounts for reimbursement of interest charges owed by Contractor.

OO. Payment by Electronic Funds Transfer (EFT)

- (a) Method of payment.

(1) All payments by Newport News Public Schools (NNPS) under this contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(2) of this clause. As used in this clause, the term “EFT” refers to the funds transfer and may also include the payment information transfer.

(2) In the event NNPS is unable to release one or more payments by EFT, the Contractor agrees to either—

- (i) Accept payment by check or some other mutually agreeable method of payment; or
- (ii) Request NNPS to extend payment due dates until such time NNPS makes payment by EFT (but see paragraph (d) of this clause).

(b) Mandatory submission of Contractor's EFT information.

(1) The Contractor is required to provide NNPS with the information required to make payment by EFT (see paragraph (j) of this clause). The Contractor shall provide this information directly to the NNPS Accounting Department (hereafter referred to as “Accounting”) no later than 15 days prior to submission of the first request for payment. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the Accounting.

(2) If the Contractor provides EFT information applicable to multiple contracts, the Contractor shall specifically state the applicability of this EFT information in terms acceptable to Accounting.

(c) *Mechanisms for EFT payment.* NNPS may make payment by EFT through the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association

(d) Suspension of payment.

(1) The NNPS is not required to make any payment under this contract until after receipt, by Accounting, of the correct EFT payment information from the Contractor. Until receipt of the correct EFT information, any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract.

(2) If the EFT information changes after submission of correct EFT information, NNPS shall begin using the changed EFT information no later than 30 days after its receipt by Accounting to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by Accounting. If such suspension would result in a late payment under the prompt payment terms of this contract, the Contractor’s request for suspension shall extend the due date for payment by the number of days of the suspension.

(e) Liability for uncompleted or erroneous transfers.

(1) If an uncompleted or erroneous transfer occurs because NNPS used the Contractor’s EFT information incorrectly, NNPS remains responsible for—

- (i) Making a correct payment;
- (ii) Paying any prompt payment penalty due; and
- (iii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because the Contractor’s EFT information was incorrect, or was revised within 30 days of NNPS’ release of the EFT payment transaction, and—

- (i) If the funds are no longer under the control of Accounting, NNPS is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or
- (ii) If the funds remain under the control of Accounting, NNPS shall not make payment and the provisions of paragraph (d) shall apply.

(f) *EFT and prompt payment.* A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.

(g) *EFT and assignment of claims.* If the Contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the Contractor shall require as a condition of any such assignment, that the assignee shall provide the EFT information required by paragraph (j) of this clause to Accounting, and shall be paid by EFT in accordance with the terms of this clause. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to NNPS, is incorrect EFT information within the meaning of paragraph (d) of this clause.

(h) *Liability for change of EFT information by financial agent.* NNPS is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.

(i) *Payment information.* Accounting shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. NNPS may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods Accounting is capable of executing. However, NNPS does not guarantee that any particular format or method of delivery is available and retains the latitude to use the format and delivery method most convenient to NNPS. If NNPS makes payment by check in accordance with paragraph (a) of this clause, NNPS shall mail the payment information to the remittance address in the contract.

(j) *EFT information.* The Contractor shall provide the following information to Accounting. The Contractor may supply this data for this or multiple contracts (see paragraph (b) of this clause). The Contractor shall designate a single financial agent per contract capable of receiving and processing the EFT information using the EFT methods described in paragraph (c) of this clause.

(1) The contract number (or other procurement identification number).

(2) The Contractor's name and remittance address, as stated in the contract(s).

(6) If applicable, the Fedwire Transfer System telegraphic abbreviation of the Contractor's financial agent.

(7) If applicable, the Contractor shall also provide the name, address, telegraphic abbreviation, and 9-digit Routing Transit Number of the correspondent financial institution receiving the wire transfer payment if the Contractor's financial agent is not directly on-line to the Fedwire Transfer System; and, therefore, not the receiver of the wire transfer payment.

Vendor agrees at all times to maintain network security that at a minimum includes: network firewall provisioning, intrusion detection, and regular (three or more annually) third party vulnerability assessments. Likewise, Vendor agrees to maintain network security that conforms to generally recognized industry standards.

2. Data Security. Vendor agrees to preserve the confidentiality, integrity and accessibility of NNPS data with administrative, technical and physical measures that conform to generally recognized industry standards (see “11. Industry Standards”) and best practices that Vendor then applies to its own processing environment. Maintenance of a secure processing environment includes but is not limited to the timely application of patches, fixes and updates to operating systems and applications as provided by vendor or open source support.
3. Data Storage. Vendor agrees that any and all NNPS data will be stored, processed, and maintained solely on designated target servers and that no NNPS data at any time will be processed on or transferred to any portable or laptop computing device or any portable storage medium, unless that device or storage medium is in use as part of the Vendor's designated backup and recovery processes and encrypted in accordance with “5. Data Encryption”.
4. Data Transmission. Vendor agrees that any and all electronic transmission or exchange of system and application data with NNPS and/or any other parties expressly designated by NNPS shall take place via secure means (using HTTPS or SFTP or equivalent) and solely in accordance with “7. Data Re-Use”.
5. Data Encryption. Vendor agrees to store all NNPS backup data as part of its designated backup and recovery processes in encrypted form, using a commercially supported encryption solution. Vendor further agrees that any and all NNPS data defined as personally identifiable information under current legislation or regulations stored on any portable or laptop computing device or any portable storage medium be likewise encrypted. Encryption solutions will be deployed with no less than a 128-bit key for symmetric encryption and a 1024 (or larger) bit key length for asymmetric encryption.
6. Data Re-Use. Vendor agrees that any and all data exchanged shall be used expressly and solely for the purposes enumerated in the Current Agreement and this Addendum. Data shall not be distributed, repurposed or shared across other applications, environments, or business units of Vendor. Vendor further agrees that no NNPS data of any kind shall be transmitted, exchanged or otherwise passed to other vendors or interested parties except on a case-by-case basis as specifically agreed to in writing by Newport News Public Schools.
7. End of Agreement Data Handling. Vendor agrees that upon termination of this Agreement it shall erase, destroy, and render unrecoverable all NNPS data and certify in writing that these actions have been completed within 30 days of the termination of this Agreement or within 7 days of the request of an agent of NNPS,

whichever shall come first. At a minimum, a “Clear” media sanitization is to be performed according to the standards enumerated by the National Institute of Standards, Guidelines for Media Sanitization, SP800-88, Appendix A -see <http://csrc.nist.gov/>.

8. Security Breach Notification. Vendor agrees to comply with all applicable laws that require the notification of individuals in the event of unauthorized release of personally identifiable information or other event requiring notification. In the event of a breach of any of Vendor’s security obligations, or other event requiring notification under applicable law, Vendor agrees to:

- a. Notify NNPS by telephone and e-mail of such an event within 24 hours of discovery, and;
- b. Assume responsibility for informing all such individuals in accordance with applicable law, and;
- c. Indemnify, hold harmless and defend NNPS and its trustees, officers, and employees from and against any claims, damages, or other harm related to such Notification Event.

9. Right to Audit. Newport News Public Schools or an appointed audit firm (Auditors) has the right to audit the Vendor and the Vendor’s sub-vendors or affiliates that provide a service for the processing, transport or storage of Newport News Public Schools’s data. Newport News Public Schools will announce their intent to audit the Vendor by providing at a minimum two weeks (10 business days) notice to the Vendor. This notice will go to the Vendor that this contract is executed with. A scope document along with a request for deliverables will be provided at the time of notification of an audit. If the documentation requested cannot be removed from the Vendor’s premises, the Vendor will allow the Auditors access to their site. Where necessary, the Vendor will provide a personal site guide for the Auditors while on site. The Vendor will provide a private accommodation on site for data analysis and meetings; the accommodation will allow for a reasonable workspace, with appropriate lighting, electrical, a printer and Internet connectivity. The Vendor will make necessary employees or contractors available for interviews in person or on the phone during the time frame of the audit. In lieu of NNPS or its appointed audit firm performing their own audit, if the Vendor has an external audit firm that performs a certified SSAE16 SOC Type II review, NNPS has the right to review the controls tested as

well as the results, and has the right to request additional controls to be added to the certified SSAE16 SOC Type II review for testing the controls that have an impact on NNPS data. Audits will be at Newport News Public Schools's sole expense, except where the audit reveals material noncompliance with contract specifications, in which case the cost will be borne by the vendor.
