Does my child qualify for a waiver? How do I apply? What about waiting lists?

Understanding Medicaid Waivers

Tuesday, March 10, 2015
6:30-8:00 p.m.

Watkins Early Childhood Center
21 Burns Drive, Newport News

What Is A Medicaid Waiver?
A Medicaid Waiver provides individuals with disabilities with services to help them with activities of daily living so that they may stay in the community and avoid nursing facility placement. It also provides relief in the form of respite for the primary caregiver.

Our presenter on Medicaid Waivers is Joy Spencer. Joy is the Chief Operating Officer of Moms-in-Motion. As the mother of a child with Asperger’s Syndrome, Joy has been active in the world of disabilities for over 6 years. Her training in disabilities includes VCU’s program for Parent Navigators and the Virginia Board for People with Disabilities specialized training to be a Partner In Policymaking (class of 2011). Joy has been a Medicaid Waiver Services Facilitator and Case Manager for 4 years. She is also the meeting leader for the Tidewater Autism Society Peninsula Chapter meetings at the Peninsula School for Autism. She loves working with families and helping people get the services they need to improve their quality of life.

Moms-in-Motion, LLC is a Consumer Directed Service Facilitation provider for Medicaid CD-PAS enrollees and a Case Management provider for DD Waiver enrollees. Their mission is to enhance the outcome for clients by using person centered practices while providing superior service, sharing resources, continually expanding our knowledge and networking. Moms-in-Motion serves all ages: children, young adults and elderly.

To register or for more information please contact PERC at 757-591-4527

Registration helps us in planning for materials and refreshments. A minimum of 5 participants is required for program to take place. If schools are closed due to inclement weather or if there is low registration, the program will be cancelled. Every effort will be made to contact registrants in case of cancellation.
