**Introduce your programs or services to our students, families and employees.**

The Youth Development Resource Fair and Back-to-School Celebration will help connect your service or program to the NNPS community. The Resource Fair will be promoted to our 24,000 families, 5,000 employees and the community as a day of information and fun for everyone.

**The STAND Together Youth Development Resource Fair will connect families and employees to your programs and services.**

NNPS is seeking youth-serving partners to participate in the resource fair. Setup a display table, host a demonstration, provide free health screenings, host a children or teen activity station, present a performance, distribute give-aways, offer discounts or donate door prizes.

**Join us. Help connect our students and families to community services and activities.**
