How does Newsela enhance your instruction?

It enhances my instruction by providing youth centered topics and current events to connect with a student's existing knowledge, and to inform them about important events affecting their world.

What do students think of Newsela?

They love it! They love reading about other young people around the country, and they like being able to educate themselves on what is happening outside of the United States as well.

Favorite/most relevant Newsela article from this past year?

Anything related to the pandemic or Lizzo!

Has Newsela helped you with anything you did not expect?

It has helped us navigate some tricky social justice issues by opening up a dialogue that allowed for everyone to be heard.
