

# Seeking Recertification, Initial Endorsement, or Provisional? Join us at the virtual MBU Informational session.

Mary Baldwin University will offer a virtual information session to share graduate and undergraduate asynchronous programs tailored for the working individual.

If you are seeking a course(s) for recertification, an initial endorsement/license, are on a provisional, or desire an additional area of endorsement such as Reading or Gifted Education - this session will provide information about MBU's School of Education offerings.

Coursework taken at MBU at the graduate level may be applied to specific MEd degrees.
