

MAGNET & SPECIALTY PROGRAMS OPEN HOUSES

Discover Programs That Empower Your Future

Magnet and specialty programs provide students with engaging learning experiences centered on specific themes or areas of study. Some programs serve the entire school, while others are programs within larger schools. These programs offer opportunities to explore interests, build real-world skills, and prepare students for future learning and success. Visit nnschools.org/magnet or scan the QR code to learn how to apply and attend an upcoming Open House.
