Stress test are generally required for people who are recertifying with heart conditions and or new drivers who have a history of heart related issues.
 - VO2 Max testing- who would be required to have that testing?
After reviewing, NNPS is removing the VO2 Max testing from the proposed services.
 - Psychological evaluation, when would that be performed? Would psychological be for specific request by the schools, like Fit for Duty?
Psychological test may be required at the doctor's discretion. Yes, psychological testing would be for specific request by the contract administrative and or supervisor, similar to Fit for Duty.
