ParentVUE powered by Symergy VA Assessment Parent Portal Claim Codes in PVUE

Newport News Public Schools is pleased to announce a new method for parents to receive their child's Virginia Assessment Program test results. The Virginia Assessment Parent Portal is a web-based portal from the Virginia Department of Education for parents with children in grades 3 through 8 to access math and reading growth assessments (administered in fall and winter) and grades 3-12 SOL tests results (administered in May). Please

visit <u>https://sbo.nn.k12.va.us/sol/parentportal/</u> for additional information and to view the Parent Portal User Guide. The Virginia Department of Education Parent Portal can be accessed at <u>va-results.pearsonaccessnext.com/login</u>.

Parents will need a Claim Code to create an account and view new/updated test results in the Parent Portal. To assist parents with obtaining their Claim Codes, Newport News Public Schools has provided this information for parents in ParentVUE.

LOGIN TO PARENTVUE

- From a web browser, go to <u>http://sbo.nn.k12.va.us/parentvue/</u>. Parents may also use the ParentVUE App.
- 2. On the website, click I am a Parent and enter the User Name and Password for ParentVUE. Click Login. From the App, enter the User Name and Password and click Login.

SELECT A STUDENT

 After logging into ParentVUE, click the Student list and select the appropriate student. Claim Codes are only provided for students in grades 3rd – 12th that have taken either the Growth Assessments in the Fall/Winter or the SOL's in May. Each administered test has its own unique Claim Code. If a student took both tests, then that student will have two codes.
