When Life Gets Legal is a series of virtual forums that explore how every day life events can have legal implications. These forums are hosted and presented by Legal Resources and our network attorneys and cover a wide range of topics. See below for a description of each session.

You can register for each session by visiting www.LRseminars.com or clicking the session title in the list below.

Date	Time	Session Title	Session Description
1/8/2025	12:00pm-1:00pm	<u>Real Estate Transactions</u>	This session will cover key legal considerations in real estate transactions, from title and property ownership transfers to common issues that can arise during the process. We'll also explore the attorney's role in ensuring a smooth and secure closing. Whether you're a first-time buyer or an experienced seller, this session will provide the legal insights you need to navigate real estate transactions with confidence.
2/12/2025	12:00pm-1:00pm	<u>Immigration Changes Under New Administration</u>	In this session, we will explore the upcoming changes in immigration law under the new administration. This session will explore anticipated shifts in immigration policy, including potential impacts on visas, residency requirements, and pathways to citizenship. Our expert speaker will provide insights into how these changes may affect individuals and families, offering guidance on navigating the evolving immigration landscape.
3/12/2025	12:00pm-1:00pm	<u>Navigating Tax Law</u>	In this session, we'll break down the fundamentals of tax law, providing participants with a clear understanding of the essential concepts that impact individuals and families. From income reporting to deductions, credits, and common tax pitfalls, we'll cover the core elements everyone should know. Additionally, we'll discuss what to do if you receive an audit notice: how to prepare, what to expect, and how to respond effectively.
4/9/2025	12:00pm-1:00pm	<u>Surviving Spouses: Managing After Loss</u>	This session is dedicated to helping surviving spouses navigate the challenging responsibilities that arise after the passing of a loved one. We will cover the essential steps, from initiating probate to closing accounts, claiming life insurance benefits, and accessing financial assets.
5/14/2025	12:00pm-1:00pm	<u>Juveniles in the Digital Age</u>	In today's digital world, young people face unique challenges and risks when navigating online spaces. This session explores critical topics like cyberbullying and the potential legal consequences minors may face for engaging in online harassment. We'll also address the serious implications of sexting and digital consent, including how sharing explicit images can lead to legal trouble under child pornography laws. Designed to educate and empower, this session equips attendees with the knowledge to guide minors toward safe and responsible digital behaviors.
6/11/2025	12:00pm-1:00pm	<u>Small Business Essentials</u>	This session will guide entrepreneurs through the key steps to establish their business as a legal entity, including choosing the right structure (LLC, corporation, etc.), registering with the appropriate authorities, and ensuring compliance with local, state, and federal regulations. We'll also discuss common legal pitfalls that small business owners face and how to avoid them. Designed to empower new and aspiring business owners, this session provides the essential knowledge needed to build a strong legal foundation for long-term success.
7/9/2025	12:00pm-1:00pm	<u>Estate Planning Basics</u>	This session provides an overview of the key components of an effective estate plan, including wills, trusts, powers of attorney, and advance healthcare directives. We'll also cover the importance of designating beneficiaries, minimizing estate taxes, and avoiding common pitfalls that can lead to costly legal disputes. Whether you're starting from scratch or updating an existing plan, this session will equip you with the foundational knowledge to take control of your legacy and provide peace of mind for the future.
8/13/2025	12:00pm-1:00pm	<u>Planning for Adoption</u>	This session will provide an overview of the key legal steps in adoption, from initial applications to finalizing the adoption in court. We'll discuss the rights of adoptive and biological parents, the role of agencies, and the legal requirements for domestic and international adoptions. Attendees will also learn about potential challenges, such as background checks, consent laws, and post-adoption considerations. Whether you're considering adoption or supporting someone through the process, this session offers valuable insights to guide you every step of the way.
9/10/2025	12:00pm-1:00pm	<u>Protective Orders: Legal Protections Against Harassment and Violence</u>	Protective orders are a critical legal tool for safeguarding individuals from abuse and harassment. This session will explore the process of obtaining a protective order, the legal criteria involved, and what protections it provides. We'll also discuss the role protective orders play in addressing domestic violence, including steps to take if you or someone you know is in an abusive situation. Designed to empower and inform, this session offers practical guidance on navigating the legal system to ensure safety and protection for those in need.
10/8/2025	12:00pm-1:00pm	<u>Insurance and Warranty Disputes: Protecting Your Rights as a Consumer</u>	This session will cover the legal aspects of resolving disputes with insurance companies and warranty providers. We'll discuss how to navigate issues like denied claims, delays, underpayment, or failure to honor a warranty. Participants will learn practical steps for advocating for themselves, understanding policy and warranty terms, and identifying when it's time to seek legal assistance. Whether it's protecting your property, health, or purchases, this session equips you with the tools to handle disputes effectively and confidently.
11/12/2025	12:00pm-1:00pm	<u>Traffic Law: Navigating Violations and Restoring Driving Rights</u>	This session will provide an overview of traffic law, covering common violations, DUI offenses, driving with a suspended license, and strategies for restoring driving rights. Participants will also learn what to do if they receive a ticket, how to handle court appearances, and ways to dispute citations. Whether you're dealing with a recent incident or seeking to reinstate your license, this session offers essential insights to help you navigate traffic law and protect your rights on the road.
12/10/2025	12:00pm-1:00pm	<u>Preparing for Divorce: Practical Steps to Safeguard Your Future</u>	This session will guide participants through important considerations when planning for divorce, including understanding marital assets, preparing financial documentation, and knowing your legal rights and obligations. We'll also discuss strategies for navigating custody arrangements and spousal support discussions. Whether you're considering divorce or simply want to be prepared, this session offers practical advice to help you approach the process with clarity and confidence.
